September 14, 2020

Dear Linwood Parents,

I appreciate your patience as we navigate through the challenge of educating our students during this pandemic. We are working hard to keep you informed of the steps we are taking to keep everyone safe and mitigate the risk related to COVID-19.

Last Thursday, Governor Edwards moved Louisiana into Phase 3 of the State's reopening plan. Although we have made progress across Louisiana decreasing the spread of COVID-19, we must remain cautious, wear our masks, and continue to practice physical distancing.

As we move into Phase 3, Linwood Public Charter School will continue to follow our reopening plan until we feel it is safe to move back into our traditional school routine. As such, we will continue with our hybrid and virtual models.

At the end of the first nine weeks, Linwood's leadership team will review data from the state related to the rate of infections in the Shreveport area. Favorable results will determine if LPCS will move forward with the next phase of our reopening plan.

Thank you for your patience and partnership as we work through the challenges of educating our students during the COVID-19 pandemic.

Best Regards,

Dr. Staughton Jennings,
CEO
